SUBJECT: Approval of the 2017 DoD-Allied Nations Technical Corrosion Conference

The Under Secretary of Defense for Acquisition, Technology and Logistics officially approved the 2017 DoD-Allied Nations Technical Corrosion Conference consistent with the Defense Chief Management Officer's DoD Conference Guidance. While the Military Services or Commands may choose to place additional controls on attending, this approval covers the attendance of all DoD participants. I ask for your support by encouraging your staff to participate and take advantage of this unique opportunity to shape our path forward.

The 2017 DoD-Allied Nations Technical Corrosion Conference is the preeminent conference focused solely on corrosion and is a key enabler for the corrosion and sustainment community. It is the only forum sponsored and conducted by the Office of the Secretary of Defense that specifically addresses corrosion. The 2017 conference will be held at the Birmingham Jefferson Convention Complex, Birmingham, Alabama, August 7-10, 2017.

Additional details can be found at www.dodcorrcon.org or by contacting Mr. Rich Hays, richard.a.hays18.civ@mail.mil, 703-697-3952 or Ms. Dawana Harris-Bey, dawana.l.harris-bey.civ@mail.mil, 703-697-3910.

Daniel J. Dunmire
Director, DoD Corrosion Policy and Oversight
